EDUCATION

AMA Computer College Cabanatuan
Bachelor of Science in Computer Engineering
Major in Web Application Development
2020 - 2024 (**date of graduation: September**)

AMA Computer College
TVL -ICT- Programming
2018 - 2020

THESIS/DESIGN PROJECT

RFID Payment Integration and Android-Based Monitoring System (C#, Flutter, C++, PHP, MySQL)

SKILLS

- **Web Development**
- **Software Development**
- **C#**
- **C++ / Arduino**
- **PHP**
- **Javascript**
- **Node.js**
- **Express.js**
- **Problem Solving**

EXPERIENCE

Cabanatuan City Government - Software Development Intern

November 06, 2023 - December 15, 2023

- Developed a Certificate Generator Windows application using C# and DevExpress, improving the efficiency of certificate issuance for the City Planning and Development Office.
- Conducted thorough testing and debugging to ensure application stability and accuracy.
- Gained hands-on experience in software development life cycle (SDLC) and enhanced problem-solving skills through real-world application development.

Project-Based Developer:

- Specialize in backend development using Node.js, creating robust and scalable APIs for various clients.
- Work on Arduino projects to automate and control different systems.
- Collaborate with clients to understand their requirements and deliver tailored software solutions, ensuring high client satisfaction.
- Continuously improve and update technical skills to stay current with industry trends and technologies.

CERTIFICATES/BADGES

CCNA - Introduction to Networks

https://www.credly.com/badges/127bdddb-8eef-4b75-a680-ff9a851af286/public_url

Network Security
